FREE VDI/ DAAS WORKSHOP

INFO@EVOLVETECH.BIZ

A SOLUTION-AGNOSTIC WORKSHOP

We come to you. As long as you have a white board we will be there. With a heavy focus on **end-user experience,** we will enable your company to **implement VDI/ DAAS the right way!**

Topics include:
- Use Cases
- Applications
- Current / Future State
- Tools
- Needs vs Nice to haves
- Images
- Peripherals
- BYOD
- Monitoring and Proactive Alerting
- End User Experience

What you get
- White Board session with key stakeholders
- Use Case Documentation
- Documentation and recommendation on best solution to fit your needs
- Next steps and timeline
